## PROTEST COMPROMISE RESOLUTION

Within LGBTQ history and culture three broad topics have been suggested for projects:

- Same-sex marriage
- Service in the military
- Participation and leadership in churches and other faith communities

This bibliography of titles from the Gerber Hart Library Collection is meant as a beginning point to research, both on a local level and national level. It is meant to be a starting point for further exploration. The following items may also provide ideas about topics other than the three above. Call numbers are for Gerber-Hart's collections, items at other libraries may have different call numbers.

### **Compromise:**

Like many rights groups, resolution can happen in many ways. It can also “un-happen”. Resolutions are made, and undone sometimes just as easily. Here are some 21<sup>st</sup> century titles that address issues of resolution. But it is on-going.
